

Athletic Eligibility Flowchart (new credit totals)

WHAT IS AN APPEAL?

The parent/guardian signs a form to initiate this process. For all classes where the student earned a grade of less than a C, the teachers are asked to fill out a questionnaire regarding student performance. If the teacher refuses to fill out the questionnaire, their opinion is not taken into account when a decision is made. This information along with a parent note, transcript, attendance record and any other pertinent information are submitted to the athletic department. Please note that this information is subject to the data privacy laws. These appeals are ruled on by a panel of MPLS staff.
