RE: \_\_\_\_\_ ID# \_\_\_\_\_

This student has a current Section 504 Individual Accommodation Plan (IAP) that contains modified criteria for interscholastic athletic eligibility. This memo certifies that the modified criteria in the Accommodations section of the IAP meet the intent of the district's general criteria for "making adequate progress toward graduation" of

1. A 2.0 GPA,
2. Enrollment in four classes in a five-period day or five classes in a six-period day for middle school students or six classes in a seven-period day for high school students;
3. Maintaining 1 credit per quarter if a five-period day or 1.25 credits per quarter for a six-period day for middle school students or 1.5 credits per quarter for high school students,
4. Follow the district's attendance policy,

Under the modified criteria contained in the student's IAP, this student is:

\_\_\_\_\_ Eligible to participate in interscholastic athletics during the (circle one)

week of \_\_\_\_\_ / \_\_\_\_\_ quarter.

\_\_\_\_\_ Ineligible to participate in interscholastic athletics during the (circle one)

week of \_\_\_\_\_ / \_\_\_\_\_ quarter

We understand that it is the responsibility of the 504 team to notify the building Athletic Director if the student's modified eligibility criteria are not being met.
