**Special Education Students and Interscholastic Athletics Team Eligibility**

TO: Building Athletics Directors

FROM: \_\_\_\_\_, IEP Manager

RE: \_\_\_\_\_, Student ID#: \_\_\_\_\_

This student has a current Individual Education Program (IEP) that contains modified criteria for interscholastic athletics eligibility. This memo certifies that the modified criteria in the Adaptations section of the student's IEP meet the intent of the district's general criteria for "making adequate progress toward graduation" of:

1. A -- **2.0** GPA
2. Enrollment in 5 classes in a 6-period day or 6 classes in a 7-period day
3. Maintaining **3.75** credits per quarter
4. Follow the district's attendance policy

Under the modified criteria contained in the student's IEP, this student is:

\_\_\_\_ Eligible to participate in interscholastic athletics during the \_\_\_\_ quarter

\_\_\_\_ Ineligible to participate in interscholastic athletics during the \_\_\_\_ quarter

**We understand that it is the responsibility of the IEP team to notify the building athletics director if the student's modified eligibility criteria are not being met.**
